Notable accolades and accomplishments

He has been engaged in the practice of commercial arbitration for a long time, and has successively served as the head of the Secretariat of Guangzhou Arbitration Commission, the executive president of Beihai Court of International Arbitration and other arbitration institutions. He has made outstanding contributions to promoting the standardization and internationalization of Chinese arbitration institutions.

The Beihai Court of International Arbitration led by Professor Ma has grown from an average of 200 cases a year to more than 60,000 cases a year. It has made remarkable achievements in several reforms led by him and won the only pilot unit for the standardization of arbitration institutions designated by the Ministry of Justice of China.
