### Education, Professional Qualifications, Training and/or Memberships:

I obtained a master's degree in economics from Renmin University of China, a bachelor's degree in law from China University of Political Science and Law, and a legal professional qualification certificate in 2007. I have worked in a law firm for many years and engaged in legal work related to dispute resolution. At present, I am an arbitrator and mediator of Beihai Arbitration Commission, a part-time researcher of Macao International Arbitration Society and a mediator of the People's Court, Mediation expert of District Judicial Bureau, member of the Land Law Commission of Guangdong Province, member of the Association of Insolvency Administrators of Guangdong Province, etc.

### Summary of Professional Experience

I obtained a master's degree in economics from Renmin University of China, a bachelor's degree in law from China University of Political Science and Law, and a legal professional qualification certificate in 2007. I have worked in a law firm for many years and engaged in legal work related to dispute resolution.

At present, I am an arbitrator and mediator in Beihai Arbitration Commission and participate in the trial and mediation of arbitration cases. As an arbitrator, I have always adhered to the principles of impartiality, neutrality and professionalism, and actively participated in the handling and settlement of various disputes.

In addition to adjudicating cases, I have the skills to guide parties to a settlement. In a complex cooperative dispute case, I assisted both sides to communicate and compromise by organizing mediation meetings. I listened to the concerns of both sides and provided independent advice and recommendations. Through my coordination and guidance, the two sides finally succeeded in reaching a mutually beneficial solution and avoiding a long litigation process.

In 2021, I published an article Economic Exploration of the Core Competitiveness of Internet Finance in the national journal Science and Technology Research; In 2021, I was awarded Excellent Lawyer Award and Academic Achievement Award by Beijing Dehe Heng (Guangzhou) Law Firm; In 2022, I was awarded Excellent Student by Guangzhou Lawyers Association for Legal English Debate Training; In 2023, I was awarded the Maintenance of Social Stability Award by Guangzhou Lawyers Association.

I am fair and upright, love the cause of arbitration, honest and self-disciplined, strictly abide by laws and regulations and arbitration discipline, professional ethics of arbitrators, the cases I participated in have never been revoked or not executed by the court, and have not caused adverse social impact due to improper handling of cases.

### Experience in arbitration and mediation/ ADR

I participated in arbitration publicity activities, arbitration research, handling arbitration cases, and mediation of court cases. In addition to hearing specific cases, I also actively participated in research and academic exchanges in the field of arbitration, and was invited to provide professional advisory services for enterprises and individuals in dispute resolution. As an arbitrator and mediator, I have always adhered to the principles of impartiality, neutrality and professionalism, and actively participated in the handling and settlement of various disputes.

I am fair and upright, love the cause of arbitration, honest and self-disciplined, strictly abide by laws and regulations and arbitration discipline, professional ethics of arbitrators, the cases I participated in have never been revoked or not executed by the court, and have not caused adverse social impact due to improper handling of cases.

Through my own judgment, legal expertise and analytical ability, I strive to resolve disputes in various disputes, safeguard the interests of the parties, and promote social justice and stability. I am deeply honored to make my contribution to the field of arbitration and to the promotion of justice and the rule of law.
