**Summary of Professional Experience**

I have been engaged in the legal profession for 16 years, handling numerous civil and commercial cases. I have participated in handling nearly 100 cases.

At the same time, I am also an expert consultant of government departments and arbitrator of Zhuhai International Arbitration Court.

Before becoming a lawyer, I worked as the legal director of a listed company for 6 years. In addition to legal issues, I am also familiar with business rules. I think an excellent lawyer must understand both legal rules and market rules to handle every case well.

**Experience in arbitration and mediation/ ADR**

I am an arbitrator of the Zhuhai Arbitration Commission and the Arbitration Court of the Zhuhai International Arbitration Court and During 7 years, I have handled about 30 cases as an arbitrator or an agent lawyer.
