<b>Summary of Professional Experience</b>		

Mr.Zhang is specialized in the research of civil and commercial laws such as Civil Code and Corporation Law of the People's Republic of China.He has a deep understanding of the regulatory trends and market environment.He is good at combining the industrial market background with laws and policies, and adheres to the work philosophy of attaching equal importance to legal compliance and commercial logic.

At the same time, Mr.Zhang has been invited by government departments,industry associations to interpret and train on laws and regulations,and to help regulatory departments and enterprises to carry out important work such as compliance system construction,internal control and so on.

In 25 years of practice, Mr.Zhang is particularly good at handling civil and commercial dispute resolution cases. He has successively represented a foreign-funded enterprise in Beijing, a large real estate enterprise in Henan Province and other companies in arbitration dispute cases.He has accumulated wealth of experience in the fields of litigation and arbitration and compliance. He can reasonably use diversified dispute resolution methods to provide professional and efficient legal services to achieve the business objectives.

#### **Experience in arbitration and mediation/ ADR**

1.Successfully represented a major construction contract dispute case between Henan Guangming Electric Power Construction Co.,Ltd.and Guangdong Power Grid Energy Development Co.,LTD.

As the lead attorney of Henan Guangming Electric Power Construction Co.,LTD.,Mr. Zhang conducted an in-depth analysis and accurately grasped the core elements of arbitration strategy.

**Strategy:** In response to the contract terms,Mr. Zhang prepared a set of comprehensive strategies combining direct evidence, expert opinions and legal interpretation to prove the respondent's breach of contract in terms of performance deadlines and payment of fees.

**Evidence management:** Leading the team to systematically collect and sort out evidence, including but not limited to construction logs, quality inspection reports,communication records and financial vouchers, to ensure the validity and relevance of each piece of evidence, providing a clear and powerful evidence chain for the arbitral tribunal.

**In-depth legal research:**Mr.Zhang conducted an in-depth analysis of laws and regulations such as the “Construction Law of the People's Republic of China”, the “Civil Code of the People's Republic of China” and the “Interpretation of the Supreme People's Court on Issues Concerning the Application of Law in the Trial of Contract Disputes for Construction Projects”, accurately extracted the key legal provisions applicable to the case and build a solid theoretical foundation for case representation.

2.Represented Fresenius Kabi(Beijing) Pharmaceutical Management Co.,Ltd.in an arbitration case concerning a contractual dispute with Chengdu List Pharmaceutical Co;

3.Represented Xinxiang Qunxin Real Estate Development Co.,Ltd.in an arbitration case of contract dispute with Jincheng Huayang Real Estate Development Co;

4.Represented Ping Yajun, Ni Zhenjin in the arbitration of partnership resolution dispute with Wang Chunting:

5.Represented Ping Yajun, NiZhenjin in an arbitration case concerning damages with Wang Chunting.

#### **Key Publications and Presentations**
